Sponsorship Program

Support the Industry That Supports You

Sponsor TVA's Annual Meeting

As a member of The Vermiculite Association, you understand the value of a strong, unified voice for our industry. TVA works year-round to promote the safe and responsible use of vermiculite, support technical and regulatory progress, and connect members across the global supply chain.

One of the most important ways you can contribute to this mission is to attend and support TVA's Annual Meeting.

Your sponsorship isn't just about visibility — it's about investing in the future of the vermiculite industry. The Annual Meeting is where TVA members gather to exchange knowledge, discuss challenges, and shape the direction of our collective efforts. By supporting through event sponsorship, you're helping ensure that TVA can continue to offer high-quality programming, foster collaboration, and represent our industry with strength and credibility.

Your Support Matters

Sponsorship dollars go directly toward the resources and experiences that make the Annual Meeting a cornerstone of our work — from expert speakers to technical sessions, networking opportunities, and beyond.

Sponsor the TVA Annual Meeting —and help keep our industry moving forward.
